Riverbend School, like many independent schools, relies on fundraising as a source of revenue. As part of Riverbend's operating budget, the Annual Fund helps make a Riverbend education more accessible to families. And that is *the difference you make*.

Did you know that tuition does not fully cover the cost of a Riverbend education? **For the 2022-2023 school year, the gap between tuition and the true cost of a Riverbend education is approximately \$2,700 per student.**

Thank you for supporting Riverbend. Consider making your gift today and help us reach our Annual Fund goal of \$160,000 for the 2022-2023 school year!
